## **Passion Week**

Intentionality is necessary to closely follow the footsteps of Jesus during "Passion Week," while learning from His words and His actions. As you read and meditate on these passages this week, jot down what Jesus said and what He did during the final week of His human life.

Matthew 21 – 28:15	Mark 11 – 16:13	Luke 19:28 – 24:35	John 12 – 20:23
			Gospel of John covers only 22 days of Jesus' 3.5 years of public ministry. Six of 21 chapters devoted to just one week. 1/3 of the verses (237 of 878) cover a single 24-hour period in Jesus' public ministry.
